

Find all Your Possibilities in Labour Market!

Do the ForeAmmatti Skills Mapping and the service helps you in search of work: you will receive additional information on your skills, different profession options that match your skills, and on open jobs. **The ForeAmmatti Skills Mapping fulfils one obligation of applying for a job once.**

”Using ForeAmmatti is, in my opinion, a very useful tool, both because of the jobs offered and because of the predictions and listings. ForeAmmatti gives you guidance as to what training to get while thinking about a career change or what are the chances of becoming employed.”

- Customer feedback from Cimson Education Services’ Training

When You Do the Skills Mapping, You Find Out INSTANTLY

- What kinds of jobs and tasks your skills match with overall. You may be surprised!
- What open jobs are available to you based on your skills.
- What different professions entail and e.g. what are their salaries.
- How much competition there is over jobs in different professions.
- What kinds of words you should utilize when stating your skills on your job application.
