Training path for international pedagogy professionals

Stadin AO (Helsinki Vocational College and Adult Institute) is organizing training for international pedagogy professionals in 2024! The next training is in autumn 2024 (2.9.-20.12.2024).

In training, you can choose to focus on early childhood education or basic education. Teaching is in **Finnish** and is **free of charge**. Finnish language skills should be at level **~A2.1**. There are 24 hours of study per week, less than 6 hours per day.

The training includes:

- Professional orientation to Finnish early childhood education or basic education
- Finnish language studies
- Work try-out in kindergartens and elementary schools in the city of Helsinki (Finnish language studies and professional guidance continues during the work try-out)

At the end of the work try-out, the goal is to get a job in early childhood education or basic education for the city of Helsinki and/or apply for qualifying studies. We also offer support for the teacher's degree recognition process.

All applicants take part in a language test and an interview **Apply for training and register for info:** <https://bit.ly/stadinaopedagogit>. The application period ends on 11.8.2024.

Time and place for the information session:

Monday 12.8.2024 from 13:00 to 16:00

Stadin ammatti ja -aikuisopisto, Teollisuuskatu 23 (A2), 00510 Helsinki.
