Welcome to the Competence Centre for Highly Educated Immigrants in Espoo!

The Competence Centre provides job search and career development support services to unemployed immigrants resident in Espoo who have higher education.

We assist our clients in improving their expertise, strengthening their job search skills and finding employment in their fields of expertise.

■ What services do we offer?

We offer the following services to our clients:

- Personalised career counselling and mentoring
- Job hunting skills workshops
- Recruitment events
- Guidance on professional and Finnish language development opportunities
- Company visits to potential employers
- Customised list of job vacancies, and
- Career development programs.

In addition to our core services, we offer labour market orientation, competence recognition and development, and support personal wellbeing during the job-hunting process.

The centre cooperates with educational institutions, recruitment and career services providers and other relevant public, private and third sector organisations.

Become our client

You can join the Competence Centre for a period of up to 10 months. As a client, an assigned personal Career Counsellor will provide you with career guidance, mentorship and help with issues pertaining to your unemployment benefits.

Our Business Coordinators will help you establish contacts with potential employers and industry experts. They will also keep you informed of job openings in your areas of expertise.

We keep all our clients informed of our activities, recruitment events, labour market and language skills training opportunities, and our community activities through our monthly agenda and newsletter.

■ Who can become our client?

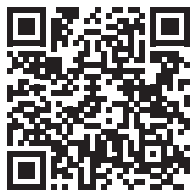

You can join the Competence Centre if you are:

- A resident of Espoo
- An immigrant with higher education degree
- A registered job-seeker
- B1.1 level in Finnish or Swedish or fluent in English in IT Business, Engineering and R&D fields.
